PANATTA SPORT nasce nel febbraio 1982, grazie alla volontà di Rudy Panatta, giovane professore di lettere con la passione per il body building. La dedizione profonda e radicata per questo sport e la convinzione che il body building fosse comunque la base indiscussa per migliorare le prestazioni atletiche nello sport in genere, spinsero Rudy Panatta alla decisione di abbandonare definitivamente l'insegnamento per dedicarsi totalmente allo studio ed alla realizzazione di macchine ed attrezzature per il fitness; nacque così PANATTA SPORT società artigiana, trasformata oggi in una dinamica realtà industriale.

PANATTA SPORT was established in February 1982 on the initiative of Rudy Panatta, a young professor of literature with a passion for body-building. His deep and ingrained dedication to this sport and his conviction that body-building is clearly the best mean for improving athletic performance in every sport led Rudy Panatta to the decision to leave his academic career forever and dedicate himself completely to the study, design, and production of fitness equipment. This was the genesis of PANATTA SPORT, a small artisan workshop that grew to become a dynamic industrial reality.

La PANATTA SPORT est née en février 1982, par la volonté de Rudy Panatta, jeune professeur de lettres ayant la passion du body building. Son amour profond et dévoué à ce sport et sa conviction que le body building est de toutes façons la base incontournable pour améliorer les performances athlétiques dans le sport en général, ont amené Rudy Panatta à prendre la décision d'abandonner définitivement l'enseignement pour se consacrer entièrement à l'étude et à la réalisation de machines et d'appareils pour le fitness; c'est ainsi qu'est née la PANATTA SPORT entreprise artisanale, transformée aujourd'hui en une réalité industrielle dynamique.

PANATTA SPORT nace en febrero de 1982, gracias a la voluntad de Rudy Panatta, joven profesor de literatura apasionado por el body building. La dedicación profunda y arraigada por este deporte y la convicción de que el body building fuese en cualquier caso la base indiscutible para mejorar las prestaciones atléticas en el deporte en general llevaron a Rudy Panatta a decidir abandonar definitivamente la enseñanza para dedicarse totalmente al estudio y a la realización de máquinas y equipamientos para el fitness; así nació PANATTA SPORT empresa artesana, transformada hoy en una realidad industrial dinámica.

PANATTA SPORT wird im Februar 1982 durch Rudy Panatta gegründet, einen jungen Professor mit einer Leidenschaft für das Bodybuilding. Die tiefe und fest verwurzelte Hingabe für diesen Sport und die Überzeugung, dass das Bodybuilding die unbestrittene Basis zur Verbesserung der athletischen Leistungen im Sport allgemein ist, brachten Rudy Panatta zur Entscheidung, die akademische Laufbahn ganz aufzugeben und sich vollständig der Entwicklung und Realisierung von Maschinen und Geräten für die Fitness zu widmen; so entsteht der handwerkliche Betrieb PANATTA SPORT, der sich heute in ein dynamisches Industrieunternehmen verwandelt hat.

Компания PANATTA SPORT родилась в феврале 1982 году. Её основал Руди Панатта, молодой преподаватель литературы, увлекающийся бодибилдингом. Глубокая укоренившаяся преданность этому виду спорта и уверенность, что бодибилдинг является неоспоримой основой для улучшения атлетических достижений в спорте, толкнули Руди Панатта к решению полностью оставить преподавательскую деятельность и целиком посвятить своё время изучению приспособлений и оборудования для занятий фитнесом. Таким образом родилась ремесленническая компания PANATTA SPORT, которая сегодня превратилась в динамичную промышленную реальность.

تأسست شركةPANATTA SPORT عام 1982 بمبادرة من الشاب Rudy Panatta الذي كان يُدرّس لغة إيطالية وبنفس الوقت من هواة كمال الأجسام. كان السيد Rudy يكرّس وقت كبير من وقته لهذا النوع من الرياضة. وكان يعتقد بنفس الوقت أن كمال الأجسام يشكل عامل أساسي في تحسين الأداء الرياضي بشكل عام. مما دفعه إلى ترك التدريس بشكل نهائي وتفرغه بشكل كامل إلى دراسة وإنشاء ماكينات ومعدات للياقة البدنية. بهذا الشكل نشأت شركة PANATTA SPORT التي تميزت في البداية بطابعها الحرفي. إلى أن تطورت مع الوقت أصبحت تشكل واقع صناعي حيوي.
